Sport Medicine:

Special Medical Problems

There is no trainer on site. If an emergency occurs please inform staff and then proceed to a local instacare or hospital.

Uniforms:

Uniforms are not required, but they do look nice. Bikini tops and bottoms are not allowed! We follow the same rules as USA volleyball and the NCAA. This rule is in place to protect staff, young men and young women.

Rules:

Warm up – Shared for 5 min at the conclusion of the previous game. Officiating team should keep time. Long warmups cause us to get behind. Teams must be ready to get on the court.

HIGHLIGHTED PLAYING RULES

Block counts as a contact

No Open hand dinks/tips

One Toss per serve

Players may not "set" the ball or contact the ball with finger action in an attempt to play the ball when receiving the serve.

Any contact with any part of the net by a player's body is a violation.

Players handling the ball must set the ball in direction they are facing or directly behind them (shoulders squared) when returning the ball over the net.

Side Changes in multiples of seven (7) when the set goes to 21 or 28. Side changes in multiples of five (5) when the set goes to 15.

Time-Outs:

Each team is allowed one time-out per set of 30 sec.

In addition, one technical time-out is allowed per each set of 21 to 28 points. The technical time-out is not awarded to each team, but rather a shared time-out when the total combined score is reached. During games 1 and 2 that are played to 21 points the technical time-out is taken when the combined score reaches 21. There is no technical time-out in a set of 15 points. For single sets to 28 points, the technical time-out is taken when the combined score reaches 28.

Active coaching is limited to time-outs and in between sets and matches. This includes parents. The only people that should be in the officiating area is the officiating team. Teams are always allowed to cheer for each other but instructions shouldn't be given. Teams are also not allowed on the sand to cheer. Please stay on the grass. Due to the limited space in between courts there is no walk and talk with your players on side changes.

Athletes may wear socks or sand socks during competition. The sand can get very hot. We will do our best to keep the sand watered down for heat and blowing sand, but it does take a while to get to each court. Sand socks are recommended.

I wish you all the best of luck. Have fun and play hard!

Sincerely,

Presley Smith
